**Here are some dates I put together to help our riders know what is going on around our area. Lots of new Ranch Horse Events & Versatility events. Some at CVTSC club grounds or Posse grounds in Salinas. CSHA Region 10 & 6 are offering working horse classes at their shows in Salinas, Watsonville, San Martin & Gilroy. I added some trail rides. By no means is this a complete list, but it's a good start. With all these dates you should not be lacking for something to do with your horse.**
